Press comments on the première of *Das Rheingold* in 2003:

This entirely convincing production promises extremely well for the continuation.

Kasper Bech Holten's Das Rheingold is masterful.

This Ring looks like being a milestone for the Royal Opera.

It possesses a fine dramatic integrity.

Deep, funny, dramatic, erotic, impertinent.

Cheeky, amusing, gripping.

Pure gold!

Press comments on the première of *Die Walküre* in 2003:

See Die Walküre – it makes the world larger! World-class Wagner singers and fantastically well-produced and modern scenography.

Raw power of expression hand in hand with outstanding direction.

A dazzling and convincing production of Wagner's drama.

Lucid, moving and highly detailed.

Breathlessly exciting opera saga of the Ring.

Powerful thoroughbred theatre.

Bikubenfonden is the exclusive sponsor of the Royal Theatre for the production of *Der Ring des Nibelungen*.

For the first time in almost a century, the four operas of Wagner's *Der Ring des Nibelungen* can be experienced in their entirety in a Royal Theatre production. A galaxy of the Royal Danish Opera's soloists, together with the Royal Danish Orchestra and the Chorus of the Royal Danish Opera, will present this enormous production, which has been praised to the skies by the press both in Denmark and abroad.
